- V ZIMNEJ VERZII X GAMES ŠARTOVALA AKO PRVÁ SLOVENKA

A person in a yellow and black outfit is captured mid-air, performing a backflip over a snowy mountain landscape. The person is positioned in the upper center of the frame, with their body arched. The background consists of a vast, snow-covered mountain range under a clear blue sky. The foreground shows a close-up of a snowy surface, possibly a ski run or a jump landing area.

Ďakujem za pozornosť!
